

Mandarin  
11月18号

Expression of the week:

左耳进,右耳出

# Notes and 作业

- There's not much to say today as most of the lesson was taken up with initial 句子, homework correction and looking at the start of a GCSE listening paper. But I've made a Quizlet of some of the new or semi-new vocab in the listening.
- Since people found it useful, we can continue to do sections from the listening paper in future lessons; when we've been through the whole thing, I'll send you the sound file
- So this week's will be the usual stuff, revision and learning the vocab in [this Quizlet](#)

# 让我们复习一下 (Revision corner)

- The seasons
- Radicals
- Writing a sentence – I'm not Chinese. I'm British. I live in Britain. My Chinese is not so good. My friend speaks Chinese very well. Next year he wants to go travelling in Britain. He would like to visit London Library. Tā xiǎng qù lúndūn de túshū guǎn
