写字

1. Person (ren2)
2. Female (nu3)
3. Also (ye3)
4. He (ta1)
5. She (ta1)

This lesson we began a systematic approach to learning to write characters freehand – without copying. These were the first five. Practise writing the characters over and over, making sure you use the correct stroke order

Coursebook: 课本

- The course book we are going to use is called:
- Easy Steps to Chinese, book 2.
- It looks like this:

Make sure you get the textbook and NOT the workbook. Also, make sure you get the simplified characters version.
