

This lesson we first did a listening task based on the tapescript attached. (I've blanked out the pinyin). Next we tried out an HSK Level one Reading paper (complete).

Starting from question 21 (it goes up to question 40) try to complete this in 17 minutes. (Questions 1 -20 are for the listening test which we can try next time). Here it is:

Remember, you aren't expected to know everything. The difficulty level is based on the fact that you'll do lots of informed or semi-informed guessing and use process of elimination.

Talking about re-starting next term the date proposed was September 7<sup>th</sup>.

Have a great break – but keep up with the vocab regularly. Workbook pages 142 – 151 should give you masses of revision and consolidation practice!

加油!
