售货员：你们好！进来看一看吧。

马克：小姐，这个熊猫多少钱？

售货员：很便宜，七十块。

马克：太贵了，可以便宜一点儿吗？

售货员：好吧，那就便宜一点儿。五十块怎么样？

阿曼达：我们是学生，钱不多。再便宜一点儿吧。三十块好不好？

售货员：你们真会讲价。三十块卖给你吧。

马克：谢谢。永民，你觉得王玉会喜欢这个熊猫吗？

永民：她一定喜欢！但是你怎么带回去呢？我们的行李已经太多了。

阿曼达：还是邮寄吧。宾馆附近有邮局。我还想给家人寄明信片呢。

售货员：你们是第一次来成都吗？普通话说得不错啊。

马克：你的普通话也很好啊！你说我们的韩国朋友应该买什么纪念品？

作业

This lesson was predominately oral, so you'd be best served by reviewing the video of the lesson and trying out the translation sentences I set.

Here are a few of the sort of sentences I asked:

- Could you make it a bit cheaper please?
- Shanghai is an extremely big city
- Where is the market?
- Is there an airport near here?
- How far is the market from here?
- It's too expensive
- Have you seen my luggage?
- No, I've not seen it
- Your mobile is under the chair
- My daughter is a banker
- There are lots of people at the market. They're buying clothes.

Also, I didn't have time to ask you questions 15 to 20 on the video below, so be prepared for that.
