

Mandarin Chinese
2018年9月26日

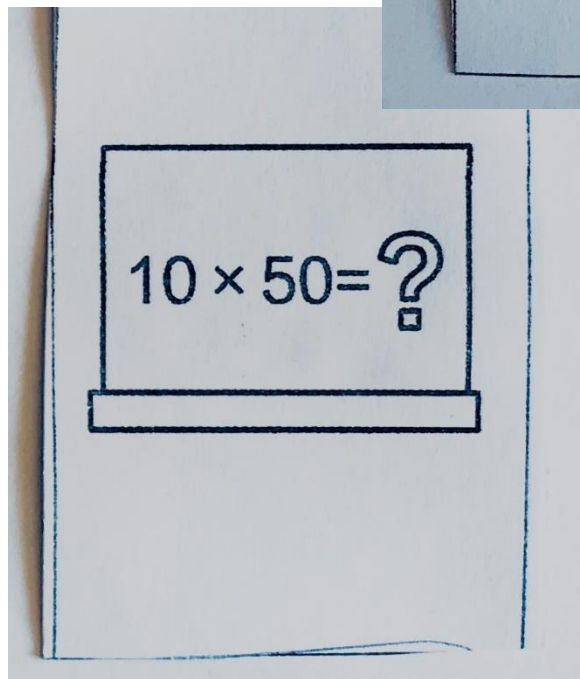

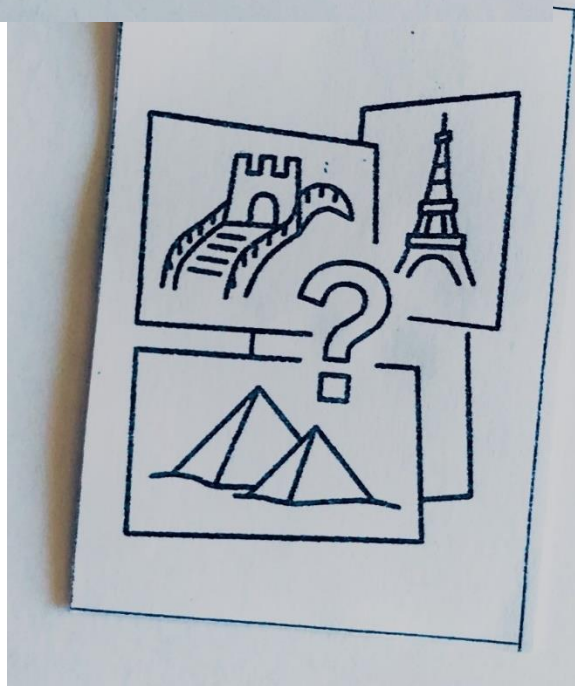

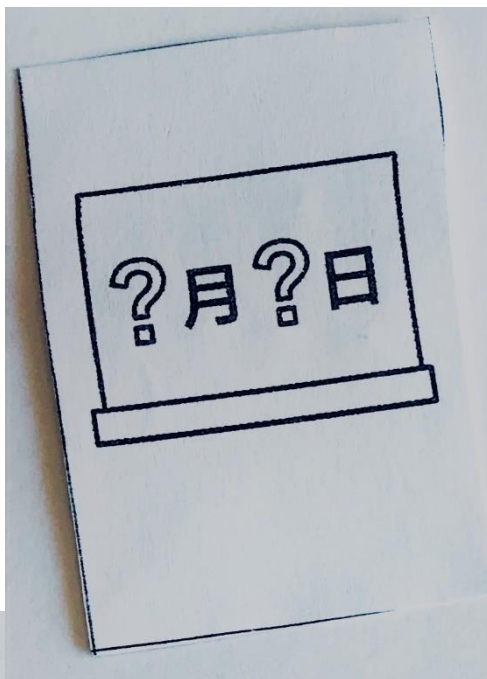

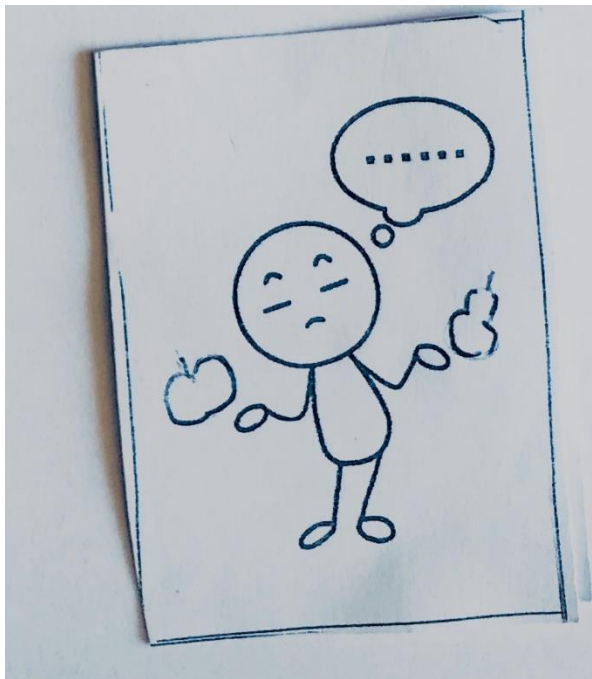

Elementary Class

Notes

- This lesson was the mirror image of last lesson – with just two students but the other two, this time! So we did much the same again – lots of revision, especially of question words.
- Here's a question-word Quizlet, to help you practise.
- <https://quizlet.com/320319148/chinese-question-words-chinese-english-flash-cards/>

Question word revision

Answer the questions.

5
