- Lots of revision this lesson. We corrected the homework and then went over some of the vocabulary that the Workbook expects you to know but which we have only briefly looked at in class. You'll find that language on the next page – but I've also made a new Quizlet to help you practise this and other recent vocab:
- <https://quizlet.com/258169766/beginners-2018-spring-term-1-flash-cards/>
- A reminder that, when using Quizlet, only practise the cards starting with the English/pinyin showing if you have the audio switched on and do the cards without looking at the screen. If you're in a situation where audio isn't practical, switch over so that the cards start with the character first. If you're not sure what I mean, ask me next week as it's important.

- 1) Greetings

- 不错
- 还可以

- 2) Introductions

- 你，您
- 晚上好
- 晚
- 早上好
- 早
- 你叫什么名字

Introductions

- 这是 = zhè shì = this is
- 谁? = shéi = who?
- 这是谁?

- **作业**
- Practise the Quizlet (and the old ones) to get rid of any Christmas rust 😊

Dates
