- This was the last lesson before most of our number take HSK 1 so we focused on a listening exam.
- The test we took is to be found here, if you missed it and would like to try yourself out.

- To finish with, we read through the dialogue on the handout given out in the previous lesson. You'll find a copy of it below.
- 作业
- Read through the multi-page handout which contains lots of sentences written in HSK language. It will help you pick up speed and fluency. Mark any that you find challenging or can't work out. If you need a copy, let me know and I'll email one to you.
