

24.11.16

In 今天的课 we looked at the HSK 考试

第一水平

Vocab that came out of this:

电 diàn electric

As in ...

Electric speech	电话	diànhuà telephone
-----------------	----	-------------------

Electric brain	电脑	diànnǎo computer
----------------	----	------------------

Electric shadow	电影	diànyǐng film
-----------------	----	---------------

Electric pool	电池	diànchí battery
---------------	----	-----------------

Electric stair	电梯	diàntī a lift
----------------	----	---------------

作业

Practise (as best you can) asking someone their name, about their job and if they like their job.

Workbook pages 62 and 63.

In class I said to do exercises 1,2 and 3. But just do 1 and 2.
