Slow Chinese video for writing practice:

<https://youtu.be/PcergOJuC1M>

Our new approach to practising writing:

Teach yourself to write (in Chinese characters!) the first 'page'
of this video (ie *Ms Wang is 25 years old*)

14 Make a dialogue with your partner.

《 Sample questions:》

1. 你早上几点起床?
2. 你几点吃早饭?
3. 你几点去上学? 你怎么上学?

NOTE

什么时候 means "when". The answer to the question can be year, month, week day or hour. 几点 means "what time". The answer to the question can only be hour.

- a A: 你什么时候去北京?
B: 三月五号。
- b A: 你什么时候去学校?
B: 今晚七点。
- c A: 你几点来我家?
B: 下午三点。

作业

- Read through all notes
- Use the video to practise your writing (see page 5 above)
- Be prepared to answer the second two questions on page 6 above)
