- We talked about the next book to use. I pointed out the problems with using Book 2 of 'Chinese Made Easy' and how clearly it is designed for school children (unlike the other books in the series).
- There is a new version of Chinese Made Easy 2 – which may be a complete re-write and without the problems of this one – but it won't be published until the end of September.
- The next page shows the vocabulary from chapter one of CME.
- We then used a different book called Standard Course 1. This is specifically to guide students through the vocab and structure of HSK 2 but it also feels more 'grown up' in the topics, dialogues and presentation style.
