Online lesson

This lesson, shortly before the football and with three students away, we spent a lot of the lesson looking at vocab to do with sports and activities.

We also looked at the sentence pattern that is used to talk about doing an activity with someone else:

With/and	person	do something
和	我朋友	去散步
跟	我的小狗	玩儿
和	她的老师	说中文

You can also add in the word 'together'

和	我哥哥	一起	去中国学习
跟	他老婆	一起	来上海

For homework, look at the vocab and examples in Chinese characters on these notes and translate everything into both pinyin and English. Also, keep practising your writing. For the second week running I've not had the time to test you on it ...
