- Please revise the first page of radicals on the sheet I emailed. If you can't remember the stroke order, remember that the PDF is linked to an online dictionary.
- Practise writing in characters (over and over again) *I'm not Chinese*
- *Wo3 bu2 shi4 zhong1 guo2 ren2*
- Watch [again the 'slow-Chinese' video](#), noting the sentence patterns and practising to yourself, ready for some more drills in the manner of the oral practice in the lesson.
