first... then...

- Most of this lesson was taken up with the last part of the listening test (questions 16-20) that we started last week.
- But in addition we also looked at a new text with no pinyin on one side and pinyin on the other. This text uses some of the new vocab (see above).

- 后
- 后面 behind (location)
- 以后 after (time)
- 前 before
- 前面 ahead, in front (location)
- 以前 before, earlier (time)

- 然后 afterwards

Further notes
