# 作业

- Practise your writing
  - Complete the exercise on page 4 above
  - Learn the measure words on this quizlet  
<https://quizlet.com/575202096/flashcards>
  - As for the weekly sentences, they are getting a bit long and time-consuming. SO I propose we split the group into two
  - This coming week, just Noel, Yingguo Dawei, Janet and Linda (team 红色) prep a sentence.
  - The sentence **must be just a few simple words** – I want you to get better and more confident with saying simple stuff, even if the structures you use are repetitive. No need to be clever! So say:
    - *On Monday I didn't go to work*
- or
- *This week I felt tired*
- or
- *I will see the doctor next week.* (But in Chinese!) THAT short and simple.
