This lesson there was a lot of new vocabulary – we focused on learning to ask and answer these questions – although of course it will take a lot of practice before you can ask and answer with fluency!

- What's your name?
- Where are you from?
- Where were you born?
- Where do you live?
- How many people are there in your family?

It helps to fix a literal translation of the question structure in your head:

- What's your name?
- *You called what?*
- *You surnamed what?*

- Where were you born?
- *You out-produced located where?*

- Where do you live?
- *You live located where?*

- How many people are there in your family?
- *Your family has how-many mouth people ?*
