作业

- Review all notes and practise your writing
- Watch this [video of Eileen](#) showing you around her apartment (in ShenZhen or ShangHai). Take notes of any interesting vocab or cultural points that strike you. Don't try to understand everything – just try to pick out bits and pieces.
- Read **again** through the dialogue from the book about the group visit to Wang Yu's family (see above). I'm going to get people to read this aloud next lesson – so come prepared with your most fluent reading and bring your best tone game
- It's 蓝队 - the blue team's turn to do the 句子 at the start of next lesson.
