

Mandarin

9月11/12号

At the start of this week we talked about:

- 1) Feeling you have forgotten everything over the summer – despite all the good resolutions you had in July to do lots of revision.
- 2) Putting up the price of the lessons by £1.00 per lesson
- 3) The need to include more exam practice (especially listening) in the lessons this term – with a view to a number of students taking HSK2, perhaps in January
- 4) There will be no lesson on Thursday 26th as the school will be closed. Therefore all students who can, please come on the Wednesday
- 5) This block of lessons will last for 7 weeks up to half-term (including the 25th Sept)

Revision: Can you remember these characters?

作业

- 1) Revise lesson notes
- 2) Practice reading aloud the dialogue on the next page – using this version rather than the one in your books
- 3) Try to read the text about the 自行车专用路 – using the glossary on the subsequent page to help you
- 4) Revise your character writing – inc stroke order!

北京第一条自行车专用路

2019年5月31日，北京有了中国第一条自行车专用路。这条路长6.5公里。现在从昌平骑自行车到海淀上班只要30分钟。

住在昌平的人非常多。在海淀有很多公司，很多人要去那里上班。所以上班和下班的时候去这两个地方的路都很堵。有了这条自行车专用路后，这里的人们上下班快多了。
