作业

- This week is a tidying-up week. I'd like you to go over the 'asking directions' dialogue that you did in your workbooks for homework last week, practising saying it aloud with fluency so that you'll be able to read it confidently in class next week.
- No new characters or sentences this week – but a little practise is always needed to stay on top of things. 蓝队 's turn for the 句子 next lesson.
- In addition I'd like you to watch this video of our friend Eileen, giving us a tour of her family's 'new' house in the countryside – as something of a counterpoint to the Li Zi Qi videos.
