Translating questions:

1. 谁住在北京？
2. 他们住在北京吗？
3. 她是医生吗？
4. 他做什么工作？
5. 谁在上海医院工作？
6. 哪家（个）书店是好的书店？
7. 你什么时候去日本？

- This lesson was again mainly consolidation. We revised characters to do with time using the ‘you-hear-you-say’ activity.
 - We revised question formation, going over the most recent ‘question-words’ quizlet.
 - Then we practised listening, using a series of short but fairly natural dialogues. A little new vocab came out of this:
- 洗手间 xi3 shou3 jian4 wash-hand-room (bathroom)
 - 在那儿 zai4 na’r located there (it’s over there)
 - 看不见 kan4 bu jian4 look-not-see (I can’t see it)
 - 宾馆 bin1 guan3 one of the many words for ‘hotel’
