After that we did some listening practice:

Vocab from the listening to practice:

- 给 = to give
- 找 = to look for

But it also has the meaning 'to give change'

- 找您7快 – I give you 7 kuai in change

作业

- Translate the following into Chinese. Write in characters. Really make an effort to write from memory, check for mistakes and correct. It's the only way to get them to 'stick'

Translation.

(1) She is a secretary.

(2) He is a doctor.

(3) Her father is a manager.

(4) Her mother is a nurse.

(5) Her elder sister is a waitress.

(6) Her elder brother is a worker.

(7) She likes her job.

(8) My father does not like his job.
