Speaking practice

- We started by drilling sentences to practice using 怎么 to ask about the method of travel:
- 你怎么去上班?
- 我开车上班
- 他怎么去上海?
- 他坐飞机去上海
- 我们怎么去饭店?
- 我们坐公共汽车去饭店

Adjectives: 形容词

We then used the following prompts to say 'very' and 'too' + adjective

- My friend / tired
- That road / long
- My older brother / busy
- This book / new
- That car / old
- Hotel / big
- Bus / slow
- Table / small
- Train / fast
- Aeroplane / expensive

我的朋友很累，太累了

那条路很长，太长了

我哥哥很忙，太忙了

Next we did an HSK listening test

- You'll find the question paper here:

- (But we'll go through it together next lesson).

作业

- No specific 作业 as there's lots to do, what with the HSK quizlets, the listening paper to re-listen to if you want, the apps Duolingo and Memrise ...
- Frankly I doubt you'll have time to 上班
- Don't forget – 下个星期四 Christmas jumpers are required for entry to the classroom (or the pub)
